Wendy Vix to Speak at Upcoming Benefit Banquet

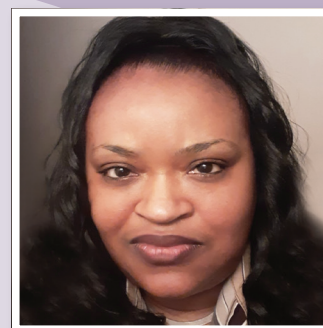

The Pregnancy Care Center has just confirmed the next Benefit Banquet. The event will be held on Thursday, October 10 in the First Baptist Church Jonesboro Fellowship Hall. Doors open at 6 pm. Wendy Vix will be the keynote speaker and will challenge us concerning adoption.

Wendy grew up in Clayton County, Georgia and attended First Baptist Church Jonesboro where she was active in children and youth ministries and gave her life to Jesus when she was eight years old. However, life circumstances, unhealthy relationships, and poor personal choices along the way led her into many valleys.

BUT GOD never let her go! After drawing her to Himself again, Wendy completely surrendered her life to serve Jesus with her medical skills on the mission field and to find ways to share His love both on the field and in her home and community. She has served on and/or led 31 short-term medical and evangelical mission trips including two trips to Senegal, three trips to Iraq during active wartime, several trips to numerous villages and towns in Liberia, the Republic of Georgia, Honduras, El Salvador, Panama, Nicaragua, Dominican Republic, and Guatemala. She has authored a book of daily devotionals for mission teams and currently serves as the Missions Director of her home church, First Baptist Church of Gulf Shores, Alabama.

AND GOD, who always gives exceedingly more that we can ask or imagine, gave her the desire of her heart when He blessed her and her husband Roy with an adopted daughter in 2016. Wendy and her family live in Foley, Alabama, where she serves as a Family Nurse Practitioner for South Baldwin Regional Medical Center. Come hear her story of love, loss, death, redemption, forgiveness, unbridled joy, and confident hope.

From the Director Do it with Love!

I've had the honor and pleasure of working at the Pregnancy Care Center for 5 years and I love it!

I love being able to share the news about Jesus and His love for us. I love to assist clients. I love to serve the community. God continues to amaze me!

This year we have had mothers/families come to the Pregnancy Care Center seeking help, getting that help, and meeting Jesus. For example, a mom who was in a domestic situation came to the Center for help. She not only got the help needed, but she gave her life to Christ and was recently baptized.

Currently we are assisting a family who are to give their child up for adoption. When I mentioned prayer, they wanted it desperately. I thank God, because they could have aborted the child, but chose to bless another family looking to love a little one. Praise God!

I thank the Lord for allowing me to be a part of the PCC and to be in the midst of what He's doing in the community. To God be the glory! My prayer is that I always be available for His use. Lord, use me. Love your people through me.

Hannah Hice: New Assistant Director

The Pregnancy Care Center welcomes Hannah Hice as assistant to Director Gaila Springer. Hannah is a follower of Jesus Christ and is currently being certified as a Biblical Counselor. God's amazing grace has set her free from a life of addiction and has given her a heart to serve in this community. Her desire is to share the love of Christ and to help those who are suffering and separated from God. Psalms 127:3 says, "Children are an inheritance from the LORD. They are a reward from Him." Her prayer is to see people coming to the knowledge of this truth and to teach and guide people in the ways of God meeting them wherever they are.
